United for Freedom

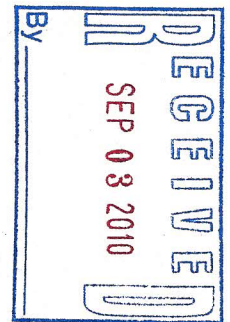

Beginning September 7, 2010 the Union Hall will temporarily change hours of operation. The new operating hours will be Monday through Friday 8:00A.M. until 4:30P.M.

This change is the result of less manpower and a cost cutting effort to maintain a responsible budget. Likewise, Lou will be out for a period of time due to surgery and we have several upcoming arbitration cases including two COLA and two discharge cases.

Accordingly, we have filed a NLRB complaint relating to contracting out maintenance jobs and in the process of filing a complaint relating to several unilateral changes to the production working environment.

We will have an answering machine with phone numbers for an emergency. Your shift steward will be available during normal operating hours of your crew.
